

HSE POLICY STATEMENT

This Statement covers the services provided by **The Sanitary Ltd.**

At Sanitary we commit to:

- Safety and welfare of all personnel involved in and/or affected by our operations;
- Protection of natural resources and the environment ;
- Safeguarding all company and third party related property which is the part of Sanitary's business or operations;
- Transparency with clients, government and public;
- Enhancing customer's satisfaction through the effective management.

It is the policy of Sanitary to promote the highest possible standards of safety, at all sites and the company's premises. Sanitary strives to achieve the highest health and safety practices and standards in Georgia. Sanitary believes that good HSE performance is an integral part of efficient business management and therefore intends to continually improve its HSE performance.

Sanitary places a high regard on compliance with national and international regulations and operating standards that apply to Sanitary operations and aims to create the safest working environment for all employees, contractors, customers, suppliers, local communities and the public.

This policy is endorsed by senior management and it is part of the company's training program to ensure that this policy is understood, implemented and maintained at all levels in the organization.

SANITARY LTD.'s HSE Policy applied for the execution of proposed works is summarized below:

- ✓ **No Accidents**
- ✓ **No harm to People**
- ✓ **No harm to Environment**
- ✓ **Transparency and cooperation with client, public and government**

This HSE Policy will be continuously improved for the effectiveness of the Integrated Management System.
